Dear Sir:

I am in receipt of your letter, asking for a trail with The Eagles. It is of course impossible to take every man to camp who asks for a trail, but I do think we can work out something where you are concerned.

I would like you to write and tell me how close to Lakeland you live. We have a member of the team who lives there, and I thought he might know something about you.

We are planning to play in Atlanta Ga. on Sunday April 29th, and it would be possible to see you there. This would mean you would have to be getting in condition to play at your home. We are going to train in Richmond Va., but the weather there will not be as good as it is in Florida. Would it be possible for you to get yourself in any kind of shape at home? Write and let me know.

We leave for camp April 8th, and will train in Richmond Va. We stay at Virginia Union University. I will be looking to hear from you.

Very Truly Yours
